

Federation is starting a Home Based Empowerment Support Team (Home-BEST) Program. This program will be available to all Nassau County youth (under 21 years of age) regardless of insurance status. Services will be available to high risk/high need youth diagnosed with Serious Emotional Disturbance (SED) who are at risk of hospitalization or out of home placement. Home-BEST is an intensive in-home program that will provide families with resources that will meet their needs in the community, preventing residential placement, regardless of insurance status. Objectives of the program will include fostering family stabilization and crisis de-escalation skill building with the participants using trauma-informed care. Federation's team will provide mobile services to collaborate and work with the family within their own unique environment and community, designed to keep families intact in Nassau County.
