Session 2 of 2021 Peer Specialist Training
Tuesday, May 18, 2021, on
Tuesdays, Wednesdays, and Fridays, from
9:30 am – 11:30 am, and
12:30 pm – 2:30 pm

(Session 3 tentatively scheduled for October 2021)

The Careers in Recovery and Wellness Training Center's peer specialist training is an 8 week live-online classroom experience training for people interested in volunteering or working in peer services. The training is rooted heavily in human rights and in the values and principles of peer support. In order for a person to become an effective, skilled peer specialist, these core values and principles serve as the foundation to ensure best practice and ethical approaches. Students completing the course will acquire knowledge, experience, and skills necessary to offer trauma-informed peer support. Along the way, they will also learn about the New York Peer Specialist Certification process and, from the course, gain the requisite knowledge to pass the required test on the Academy of Peer Services online training platform which, in turn, leads to eligibility to apply for New York Peer Specialist Certification.

Thank you for your interest in our Training Center. We look forward to hearing from you!
