Hello all!

We invite you to join us for our next Creative Connections Campaign art group **Monday, May 10th, 2021, from 6:00-7:00 pm**

Thank you to all who have participated in our campaign so far, and we hope you can join us on zoom on the second Monday of each month to continue to create together.

To ensure that everyone receives art and letters, our *goal is to collect 275 letters/pieces of art each month*. And we still need to collect creations for our next delivery!!

How would you want to convey the message of hope to others? During each meeting, we will feature a new theme and method to create and connect! You are also more than welcome to join us and create in whatever medium you choose, such as writing, drawing, painting, coloring, collaging, etc.

Please see below and attached for information to join 😊

Join us on zoom by clicking this link at the time of the meeting:

Please see the attached flyer for more details.

The goal of this campaign, inspired by Madwomen in the Attic's "December Letters Project" is to connect with our community through cards, art, and letters of encouragement that can be delivered to and kept by people held in institutions, and who are feeling particularly isolated. We want to remind our community that we stand with them, we care, we love, we acknowledge, and we are together.

If you would like to participate, we encourage you to share this invitation and send your empowering letters and art to:

Hands Across Long Island

For organizations that would like to participate in our campaign, please contact Stacy Simbrom at ssimbrom@hali88.org and include Emily Vaianella evaianella@hali88.org in an email to schedule a time to speak with us so we can support you in creating contributions and perhaps partnering with us in this expression of hope and support. HALI has created virtual offerings and support that we can share with you where we can create art, letters, and other expressions that spread the message of Creative Connections!

Best,
