

PEER SPECIALIST VIRTUAL JOB FAIR: EXCITING, NEW AND WELL-PAYING JOB OPPORTUNITIES!

Are you looking for exciting, challenging and meaningful work supporting our peers who are oftentimes overlooked and can benefit from high quality peer support? Then these new job opportunities working for Mobile Crisis Teams and Intensive Mobile Treatment teams funded by the NYC Dept. of Health & Mental Hygiene may be for you!

The Dept. of Health will be hosting a virtual job fair which will include presentations about the programs, testimonials from Peer Specialists who are currently working in these programs and a Q&A session. After the event, we will be sharing all job postings as well as contact info for each of the programs looking to hire Peer Specialist staff.

Please join us for this rich and informative virtual event on Friday, May 14, 2021 from 3:30 to 5pm. There will be the capability to either join by video conference or telephone. You can register for the event at this link:
