Whether you are affected by a loved one's addiction, supporting others on their journey, dealing with your own addictions or in long term recovery this webinar will offer tools that you might find helpful. This webinar begins the discussion on addressing wellness during substance use recovery.

Wellness Recovery Action Plan, WRAP®, is a high impact, evidence based, individually developed plan that encourages individuals to take personal responsibility for their lives and work towards developing a wellness-oriented lifestyle which leads to changes in one's perception and empowers individuals to move forward in life.

Meet the Presenter: Waynette Brock

National Director of Training
Copeland Center for Wellness and Recovery

Waynette is an Advanced Level WRAP Facilitator and has lead organizational teams which has created an outreach modality that encompasses a broad range of services, specifically targeting high risk individuals and underserved populations such as those that are incarcerated, individuals seeking recovery from substance abuse and those with life threatening illnesses, as well as anyone who wants positive life changes. Waynette is the Copeland Center's lead innovator and training consultant to implement our Mentoring for Re-entering program which seeks to support people to live beyond correctional and institutionally controlled settings.

In 2021, Waynette was recognized by San Mateo County Mental Health & Substance Abuse Recovery Commission and awarded the George Culores Hall of Fame Award.

Meet the Presenter: Rachelle Weiss, MS, CPS

Project Development Director
Copeland Center for Wellness and Recovery

Before joining the world of peer workers, Rachelle had dreamed of working in the theater. She was a member of the Writer's Guild at the age of 20 for writing a play produced in NYC in an off-Broadway Theater. She studied at the American Academy of Dramatic Arts and managed an Improvisational comedy. Following a mental health crisis, she switched her focus to behavioral health and received a Master's in Counseling Psychology. Much of her work involved exploring the therapeutic and educational value of humor. In combining these passions, Rachelle has a strong commitment to effective and authentic communication. At the Copeland Center, Rachelle oversees membership, works on project development, curriculum design and implementation, quality improvement and online trainings.

Certificates of Participation for 1 Hour Available!
