Join the discussion on how to support your youth as they learn and develop their self-advocacy skills! Foundations for Leadership is a **FREE workshop series** connected to VYLFs

and offered in the community for parents/caregivers of youth with disabilities that brings together both the family and youth perspective.

You might have questions, thoughts and ideas - we are here to help support you through the teenage and young adult transitions!

A special time for parents and caregivers to learn and support each other together. Letting go is hard to do, come and lean from others how to step back and watch your youth take on leadership roles. If you have a youth attending the virtual AMPLIFY-NY YLF this is the parent /caregiver meetings for **YOU!**

We highly encourage participants to attend BOTH days of the workshop. If you can't please let us know which day you will attend when completing the registration. After registering, you will receive a confirmation email containing information about joining the meeting. You must register for each date separately.

November 8, 6:30- 8:00 PM Registration

November 18, 5:00- 6:30 PM Registration
