Federation's Home BEST Program consists of support teams that will assist families in Nassau County that have a child in crisis by helping the youth remain in the community and avoid residential placement. Home BEST is an intensive in-home program that will provide families with community resources that will help them stay connected. Home BEST services will focus on strengthening the connections between youth, their families and community networks.

Are you looking to make a difference in the lives of others and share your personal experience? This is the perfect opportunity to grow and share your knowledge. Have you ever thought about how you can use your firsthand experience to help families find resources in the community and manage their symptoms?

The Family Peer Advocate will guide families, help them develop skills and become more independent, engage them in services, help families on their path to recovery, and so much more. If this you, connect with us today. If you do not have the required Certification, we are willing to work with those individuals that are passionate about this work, to obtain this credential and achieve their goals.

QUALIFICATIONS:

Experience serving children and families with serious mental illness. Personal lived experience in the field from caring for a family, friends, and or self. A minimum High School Diploma and A Family Peer Certification is preferred. We can consider candidates without a Certification, contingent upon getting the Certification within the first 6 months of employment.

The Family Peer Advocates will have to meet qualifications as per New York State requirements. Clean, valid NYS Driver's License preferred. Fingerprinting, criminal record check, approval from NYS Office of Mental Health.
