Virtual APS Tutoring & Support Services Now Available!

Do you want support finishing up your APS Core Coursework?

Are you trying to earn your 20 hours for CPS renewal?

Do you need support for online learning success?

Tutoring is a support service offered to APS learners to help them use strategies to successfully complete the 13 Core courses. Tutoring sessions are offered in 30-45- or 60 minute sessions to any learner enrolled in one of the 13 core courses. The tutor will provide supportive services that are tailored to the individual APS learner's needs.
