Families Together in NYS YouthPower!

EMPOWERING FAMILIES. COORDINATING SYSTEMS.

Registration is open!

*Sign-up now for the 8th annual
University of Youth Power*

On June 24-27, 2022, we are hosting University of Youth Power IN PERSON, a for-youth-by-youth social justice conference that is modeled after a college experience.

UYP is the premier youth peer leadership conference that provides youth and young adults to become change agents. The UYP conference provides young people an opportunity to build skills and expand their professional network. Young people ages 18 to 30 can register for this for-youth-by-youth social justice conference with **one of the following majors:**

- Peer Advocacy
- Systems Advocacy
- Recovery Advocacy
- Disability Leadership

The Disability Leadership track is for Youth ages 14 - 24.

Attention parents and caregivers:

If you have a youth attending UYP as part of the Disability Track this is the parent /caregiver meetings for YOU!

Learn tools and strategies for supporting the young people in your care as they grow into young leaders and transition into adulthood! Attend workshops while your youth is taking part in UYP. Come and learn from others how to step back and watch your youth take on leadership roles.

**Resident Student: \$750
Day Student: \$500**

Register now

Visit the [University of Youth Power homepage](#) for further updates.

Apply for a Scholarship!

*The scholarship will include UYP registration, meals,
AND overnight accommodations.*

Be a resource for Youth

CALL FOR SPONSORS

Youth Power is also seeking sponsors for the June even. This year, more than ever, it is critical that youth receive information about your services to explore successful collaborations.
