HALI APS Learning Collaborative: Office Hours!

While we will be doing much of the coursework on our own, this group aims to create space to discuss any questions or problems that might come up during the term. We have a short time together and may not get to all, so we are introducing “office hours.”

On a first come first serve basis, you can make an appointment with Em Wasserman to review and discuss any questions that may not have been covered during the study group.

Fridays, between 10:00 am – 1:00 pm

30 minute sessions.

List your available times in order of preference: (only three)

10-10:30 am

10:30-11 am

11:30-12 pm

12-12:30 pm

12:30-1 pm

Please come prepared with specific questions!

Example:

In reviewing the module, “Action Planning for Prevention & Recovery,” I don’t know the difference between X and Y. Can we discuss?

Keep in mind that I will not be “giving” you the answers, rather, we will be talking them through together! I can also provide you with further reading that can help in understanding the module.

Email ewasserman@hali88.org to schedule an appointment.
