Dear Friends,

Before I was elected to the City Council, I proposed the creation of a **jobs network** that will help match local job seekers with local employment opportunities in our community, with a focus on residents of public housing and those living below the poverty line.

We've been working hard at building the infrastructure for this workforce program, in partnership with organizations like Hudson Guild, the non-profit service provider located at NYCHA Fulton & Chelsea-Elliott Houses.

I'm excited to say that we're nearing the launch of this project (stay tuned!), but first, Hudson Guild is hiring staff for our future program.

Here are the links to the two job opportunities:

**Workforce Development Specialist**

**Case Manager**

Please spread the word to anyone you think may be interested. Thank you for your help in building an economy that lifts up our entire community.

In service,

Erik Bottcher  
New York City Council Member  
District 3
