**Join Us for a Coffee House
Thursday, December 8, 2022, 12 to 1:30 pm EST**

After getting such a great response from our [30th Anniversary Celebration/Pass the Torch event](#) in August, the National Empowerment Center has decided to open up Kim's Coffee House once again. Kim's Coffee House is a virtual space where we can informally get together, share stories, perhaps strategize together, and support each other. We are opening the Coffee House in December particularly because the holidays can be such a difficult time for folks and we wanted to hold space for anybody who would like some support or just pop in to say hi. Everyone

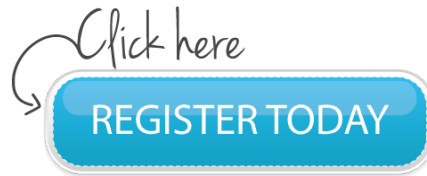

is welcome at Kim's Coffee House, no matter where you are or how you are doing, positive and celebratory sharing is welcome as much as holding space for folks going through a hard time.

The Coffee House will be hosted by Tanya Ryder, COO, Oryx Cohen, CEO, and Kim Ewing, our Emotional CPR Coordinator. This event will not be recorded.

When: Thursday, December 8 from 12 to 1:30 pm EST

Hope you can join us, you are welcome to come for as long or as little as you would like! Bring your beverage of choice!

"I am Greater than my past, I am Greater than my experiences, I am Greater than my heartache and pain. I am a Survivor of dark days and lonely nights. I am Strong, I am Powerful, I am Resilient...I am a Child of the Creator with a Divine Purpose. I am..."
