

NYAPRS Seeks Training Implementation Specialist

Over the past four decades, the New York Association of Psychiatric Rehabilitation Services (NYAPRS) has achieved widespread acclaim for our dedicated efforts to advance the recovery, rehabilitation, rights, and community success for people living with major mental health, addiction, and trauma-related challenges across New York and the nation. See more about our community, movement, and agency at www.nyaprs.org.

Position Summary: The Training Implementation Specialist is a vital member of the NYAPRS team and will work in the Rest of State region (Hudson Valley, Central and Western NY) to provide onsite and virtual consultation to agencies participating in the New York Psychiatric Rehabilitation Training Academy Project. The Psychiatric Rehabilitation Training Academy has been created to improve participants' satisfaction with services as and strengthen the workforce's capacity to provide psychiatric rehabilitation services. The Training and Consultation Facilitator will be responsible for engaging providers of **Personalized Recovery Oriented Services (PROS), Community Oriented Recovery and Empowerment (CORE) and Adult Behavioral Health Home and Community Based (BH HCBS) services** in training, developing individualized, agency-specific training plans, and implementation support.

Daily job duties of the Peer Navigator Director include:

The Training Implementation Specialist reports directly to the Project Director. Travel is essential to and required for this position. Job responsibilities include:

- Work in coordination with project staff to support in-person, on-site and virtual training to providers through New York State by facilitating breakout sessions, etc.
- Provide on-site supportive consultation to ROS PROS, CORE, BH HCBS and other rehabilitation service providers that encourage participation in psychiatric rehabilitation training and support providers problem-solve issues related to implementation.
- Communicate with consultation team to support learning and address challenges to project implementation.
- Provide virtual office hours using Zoom platform to groups of providers throughout NYS to implement psychiatric rehabilitation training initiative.
- Participate in monthly project meetings with all partners and advisors.
- Interact with training participations at participating organizations to ensure training needs are met.
- Participate in psychiatric rehabilitation training by attending virtual and onsite learning events and completing online modules.
