Good afternoon all,

The Peer Corps will start its 2023-2024 cohort recruitment process in September. **On Tuesday, August 29, 2023, we are hosting an open house** to provide an information session about the program and pre-screened the prospective applicants. This is an excellent opportunity for candidates to learn more about the eligibility requirement, the program benefits, goals, and mission.

Thank you for sharing the flyers I have attached to this email.

All questions may be directed to the Peer Corps Leadership team at: peercorps@health.nyc.gov

Best regards
